

CHEBEAGUE ISLAND HISTORICAL SOCIETY

September 2024

The 2024 Chebeague Island Historical Society House Tour was a success!

Dear Chebeague Community,

On behalf of the Chebeague Island Historical Society, I would like to thank you for making our 2024 House Tour comeback such an amazing success. Attendance surpassed our optimistic projections. It has been five years since our last tour, and in the community survey last fall, you asked us to bring it back, and we listened. We are very grateful to all of our generous sponsors, who support CIHS and help us to continue providing programs and events for this community.

Thank you to the gracious homeowners who opened their houses, docents and bakers. We could not have done this without you. CIHS has historically relied on volunteers, and you all came through for us once again. 2024 has been a big year, full of changes for CIHS. This event will help us to position ourselves for our bright future.

Thank you again for your continued support.

Fondly,
Beth McNulty, President

Mystery Photo for August, Revealed!

August's Mystery Photo is of Norma and Jeff Drew's home, which was one of the six beautiful homes showcased on the 2024 House Tour. Sharon Rent was quick with her reply and wins all bragging rights! Stay tuned for October's Mystery Photo Contest.

Special Thanks to Our Homeowners and Sponsors

Don and Stacey Bean, Josh and Elizabeth Doughty, Jeff and Norma Drew, Brian and Sue Layng, Bobby and Leslie Raymond, & Steve and Beth Westra
