

# CHEBEAGUE ISLAND HISTORICAL SOCIETY

*January 2022*

## *The Museum Artisan Shop—a big success!*

We are so pleased to report that in 2021 island artists who advertised their work through our Artisan Shop sold several paintings. The shop is clearly meeting its goal—helping artists advertise their work while benefitting the museum financially. Part of the sale proceeds are donated to the CIHS. We look forward to continued success in 2022—and thanks to all who have supported this program! We have much more art to sell—check out the selection on our website.

### Thank you for your support of the Museum Shop

You can still purchase items from our shop online through the end of January. Then we will be closed for a couple of months preparing for next season.
