### Thank you Cathy and Chip!

At our annual meeting, the board and members recognized the contributions of two special volunteers.

Cathy MacNeill was named “Volunteer of the Year.” Cathy has worked with the Museum for many years – as both a volunteer and a board member. Cathy assists with the museum shop, exhibits, collections, and administration. She works at the museum several days a week, willing to help out wherever she is needed. Cathy serves as Historical Society photographer and also produces our annual calendar, providing beautiful shots of our island for all to enjoy. Thanks Cathy!

Chip Emery, who is retiring from the board, was also recognized for the many years he has donated his time and talent to the museum. As both a volunteer and board member, Chip has contributed a great deal, especially in technology. He was instrumental in leading the recent technology upgrade that provided us with a more robust infrastructure as well as public WIFI. Chip promises to stay involved as a volunteer. Thanks Chip!

### MUSEUM SHOP IS OPEN!!

Summer hours for the shop are: 11 - 4 on Tuesdays through Saturdays and 1 - 4 on Sundays.

### Learn about Indigenous Shell Middens

On July 31st at 1 PM Nathan Hamilton from USM and Thomas Bennett of Prince Memorial Library will be at the Hall to discuss Chebeague's shell middens.

Please come and join in the discussion and bring any indigenous artifacts that you have found on the island. They want to hear from you. If you think that you may have a midden on your property, please come learn about some exciting opportunities.
