JUNE MYSTERY PHOTO ANSWER

The June Mystery photo has a lot going on! The team of Sharon and Cait Bowman and Chris Landry figured it out! The photo is taken from the cupola of the Jeremiah Hamilton House aka Bayview Boarding House that burned in the Hill Crest fire. The building on the left was Henry Bowen's East End Souvenir Store. The road beside it is Soule Road. The next building to the right was the Hamilton and Webber's East End Ice Cream Parlor. Both buildings still exist. Bowen's was moved across Soule Road and became the Soucek Cottage. Hamilton and Webber's Ice Cream Parlor was moved back and became the Mead Cottage where the Sheriff lives. But before they were moved to their present locations they were joined and were Marion Hamilton's Tea Room and Dance Hall! The Corson house is on the South Road on the right. Kitty Freeman's is partially obscured by Corson's. The Ingram house is next to the Freeman house. In the back, extreme left are the Barnacle and Alder cottages. Just barely visible at the extreme right across from the Ingram house is the Ed Webber home. Part of it was moved across the field and became the

Leonard House and the remainder is now the home of Chris and Frankie Doughty. Part of B.J. Abrahamson's house is visible behind the Freeman house. At least four outhouses are visible.
